“ Marion was a second Mom to many of us that hung with Jim, Don or Glenda! Of all the second Moms we had Mrs Cole was the one to best keep her composure as we all blew up the world around us with our antics! She was a blessing to the bunch of us and she'll be sadly missed. Our most profound condolences to all the families, may her love for all of you continue to light into your days ahead. Love you all! Steve & Michele Brent

“ *A teacher affects eternity; he can never tell where his influence stops. ~Henry Brooks Adams*

Marion is personally responsible for the wonderful start to early learning of so many children of Wallaceburg, my children included. She was a teacher who taught from the heart, gifting each child with the belief that they were important and special. To this day, a favourite memory of Celeste's is that Mrs. Cole first showed her chopsticks, taught her how to use them, and in fact gave her a set. This small act led to a passion to learn more about Asian countries, and living in Japan for 1.5 years. Marion truly helped to shaped the path of her life! Our deepest sympathies to the entire Cole family, as Marion will be missed by those closest to her. However with legacy such as hers, it is a life to be celebrated!
