“ *I am so sorry for your loss. Maggie and I did craft shows together in Calgary. She was a good friend as well as a great babysitter to my three children. My husband and I were lucky enough to get together with her a few years ago when we were in Ontario. Shocked and saddened our thoughts are with you all, Patti and Don Humphrey.*

“ *Maggie was a true friend, and I will miss her dearly. We shared many a laugh, and a few tears too, and she was someone I knew I could always talk to whenever things were tough. She was so proud of her family, and loved to get me caught up on what everyone was doing whenever we chatted. My sincere condolences go out to all of those who love her. Walk good, my friend, and rest in peace.* ”

“ *Maggie was the greatest 2nd mom I've ever had. I had the pleasure of living with her for 2 years between high-school and college. One of the fondest memories was when she rushed over to the hospital after a football injury "mothering" me the while time. I believe she was genuinely more concerned than I was! Her love for all things will most certainly be missed. My condolences go out to all family and friends.*
