“ I am sorry that I will not be able to be with you to remember Marjorie's life but I will be thinking of you all. I will always remember her sense of humour. She could see the funny side of things, especially herself. We were always made so welcome whenever we had time to spend with her and I believe that she and Marva are sharing their joy and laughter again. I am awed at her age and thank God for giving her such a long life. God bless you Marj. You loved the beauty of the birds and flowers here on earth; now there is a whole new world called heaven for you to explore and enjoy.
