“ Mom (Mary Lou) really misses her talks with Monnie. I showed her the pictures and all the good memories came flooding back. How fortunate for her and I to be a part of this loving family! Mom is sad but knows that she is with our Lord and that gives her great comfort. I can still hear the two of them giggling over the phone! God Bless you Monnie, we love you!

“ I've just known her in the last 8-10 yrs as a silent unassuming attachment to Jenn-lee and Otis and Adam and their families but knew her Spirit was a strong accommodating power enhanced by the years of knowing who she was and Whom she belonged to. So blessed to have known her
