“ Dear Donna,

*My name is Steve, and on behalf of my parents Bea and Gord Liddle, and my sister Cathy, I would like to express my heartfelt condolences on the passing of your Mother. Mary, and your Father Don, were truly two of the most gracious and lovely people that anyone could get to know.*

*Mom Dad Cathy and I were very fortunate for 17 wonderful years at 67 Maple Wood, to have you and your parents as neighbors. We all had a lot of fine folks around the old neighborhood back in the 60's and 70's.*

*I will always remember Mary out on those warm summer days in the back yard practicing her golf swing, and thinking there's no way I could hit a ball that far. Every time I had the chance to talk to your Mom, whether in the backyard outside, or anywhere else around town, I shall never forget her wonderful smile as well as her cheerful and encouraging way.*

*Donna I hope that the Memories of this beautiful person that is your Mom will comfort you during your time of loss.*

*Yours truly,*

*Steve.*

“ It all started in 2001 when we moved into our home across the road from your mom. She was the first neighbor we met, she walked across the road with a plate of cookies. We instantly became friends and remained friends until her passing. We will truly miss her.
