I am so grateful to have had a friend like Mary. She always an encouraging word when you needed and she loved to sing and participate in arts and crafts. Mary had such a big heart and an incredible memory. I will miss her laughter, encouraging spirit, and her love for Jesus, she will always be with me in my memories.

“ What a beautiful lady with a beautiful soul. What a joy it has been for me to have you in my life and for all the memories we shared together , just the simple things like singing, laughing, walks in the neighbourhood , crafts to picnic's, car rides and day trip to Sarnia for a boat cruise on the Duc O'Leans . You always made me laugh and smile . You will be missed by all.

“ *The Angels will appreciate your beautiful and enthusiastic singing voice. Christmas parades will never be the same as when you went with us. Everyone knew when Santa was getting close. Her enthusiasm for Santa will forever ring in our ears. Kimberly will miss how you watched out for her and made sure that if she needed assistance, she would get it. You will always be in our hearts. There will never be another Mary Mary. You were one of a kind.*
