“ My deepest condolences to the Clancy family, especially to my best friend Colleen. I am blessed in having so many fond memories of Maureen, “Maur”. Thinking back to when we first met and the many times we spent together: chatting, laughing, shopping, decorating, family events and so much more.

We didn't realize we were making memories, we just knew we were having fun.

I remember Maur had such a wonderful gift for creating. She was able to turn simple materials into meaningful and beautiful items like her many quilts and sewing creations. Amazing talent!

Maureen, you are forever a friend, forever missed and forever remembered
