“ I would like to express my gratitude to everyone for their warm kind words I have been reading on the Cavanagh Funeral Home website.

In a daughter's eyes her dad is the best guy on earth. He is always there for her. He is patient. He is giving. He is kind. He is the role model she needs to find her path and make a difference in this world. That was my dad.

It is overwhelming to read the many kind comments and condolences from my dad's friends and patients, and community and church members, who also saw my dear dad in this light.

It has lifted a bit of weight in my heart to read and know how much my dad was loved, and how highly he was regarded in his community, and how his wonderful smile greeted so many.

I read your comments daily.

Thank you so much.

“ *Dr. Brown was a very caring gentleman. I enjoyed his visits to the library over the years, always looking for some new or popular title, plus he would delivery books for his friends who couldn't get them. He enjoyed making a special treat all year long.*

“ *Maurice Brown was a gem. I rarely saw him, but I knew him through stories lovingly told by his daughter Carolyn, my dear friend. I know his fine qualities of warmth and kindness, and light-hearted humour, will live on in his beloved daughter, and in other family members and loved ones as well. I look forward to hearing more stories, as memories arise, and we will toast this fine man and how he made the world a better place through his kind, gentle ways. Our condolences to all who loved Maurice,*

“ I have many great memories of your dad, when he was my dentist. He would always have a great story to tell, and would always remember to tell me about some of our relatives, some of whom I did not even know the connection, but between him and your mother Muriel, by the time I left, I knew the connections, and everything they felt I should know. It was always a fun interesting time to have dental work done, a good story, and an updated version of our relatives, the Brown version of course.

Your father was a excellent dentist, a good man, and had a wonderful sense of humor.

I am very sorry for your loss.

I am thinking of all of your families at this time.

“ Please accept my sincere sympathy on Maurice's passing. Both Dr. Robert Clark and I were the beneficiary of his humor, knowledge and kindness. Wallaceburg was fortunate to have such a dedicated and capable healthcare provider as Dr. Brown for so many years! I'm sure he will be missed greatly by all who got to know him. May God accept him into his full grace.

A lovely, kind gentleman - interesting and interested - in many things and in people. Maurice and Muriel had me over for lunch every day for my first year practicing. He showed an angry young man how to act like a professional. He had the respect of every dentist - not many practice for 52 years. We had lunch 3 weeks ago - appetite like a horse. You were a kind man and a great mentor. I'll miss you, Larry

When I worked at Rich Hill's Men's and Boys Shop, (many years ago) Doc Maurice would often stop in to have a visit with Bob Soens, Verne and Laird and all the staff there.
