“ *My heart is heavy today for Harold .  
Especially since he was just in James Street  
Eatery on Wednesday . He was so happy to  
see me and have someone to talk to between  
visits with May. I uses to clean for this loving  
couple , he was happy to be able to share some stories with  
someone who knew his life with his wife. We shared a couple hugs  
when he left as he promised he would be back. Tears for his wife's  
failing health and misty eyes of gratitude to have a place to go and  
have a listening ear . So sad to hear after re-connecting with him  
just the day before he loses his best friend and wife. Peace be with  
you May. Love and Thoughts Harold and Family. Synthia & Jayce
