Mel & I toured London one afternoon just to get away from our radiation treatments. She saw a KFC and she said to me " God, I'd give anything to be able to eat the skin off a bucket of chicken. No matter how ill she was ---she had a fantastic sense of humor---Loved her to pieces

“ *When you speak of her, speak not with tears, for thoughts of her
should not be sad. Let memories of the times you shared give you
comfort, for her life was rich because of you.
So sorry to hear this very sad news.

“ We met Melanie in London while receiving treatment and spent many days sharing laughs to get through the day and hugs when smiles turned to frowns. We are still in shock, Melanie was a warrior and one of the bravest and determined woman I have ever met. My heart goes out to Kourtney and Brittany as well as all her family and friends. I'm so blessed to have had you place your mark in our lives we will never forget you Mel! Love you girl! Fly free xo Tammy and Andy ❤️❤️❤️
