“ To the entire Milord family,
We were very sad to recently learn of Mike's passing. Mike became a good friend during our high school years. He was always so upbeat with a great sense of humour and loved to laugh. We shared many similar interests and had great times during those years. Our deepest sympathy to Mike's family and friends. He will be missed.

Sincerely,
Jan and Denise Kellett

“ Travis and family, Amanda, Melissa & Jeff and Chris Parkes so very sorry for the loss of Uncle, brother and brother in law.

It was a honour that at a very young age down on Hiram St I met Mike & Melissa as there grandparents lived 2 doors down and they would go to visits there on Sundays.

We moved and I didn't see them again until my cousin reintroduced me in grade9 and I was greeted with a smile and it was almost like a twinkle in his eyes, omg such a nice guy, went from a nice boy to a nice gentle teen. Well after that life moved on and he went away to school and didn't see him for yrs until I walked into my granddaughter birthday and then again we meet and he had that smile and twinkle and started talking right away.

Well there's a lot more in between but I just got to say Mike stepped into my grandchildren's lifes and he fit right in and I considered him a great addition to their and our family. He brought his infectious smile and humour to all the family functions and enjoyed eating and being around a packed house full of kids, as he didn't say no to any of our family functions and was a pleasure that he could make it. We all loved him and I don't know who's going to make his thanksgiving and Christmas squash now, the kids especially Hayden thinks his is the best!

Thank you Mike for joining our family it was a honor , loving and welcoming our grandkids right away into your life. We will most definitely miss you not being at all the family functions seeing your smile and laughter with the kids.

Fly high with the angels Mike, until we meet again.
