“ I just learned that you are gone. Jan/22. I was shocked. Back in high school at WDSS you were a true influence on my life at the time. Kind and non judging. We had some good times together as I reminisce. Though I'm far from town and living in Nova Scotia my prayers go to the ones you left behind. You were a good friend to many people and to me when you didn't have to. Thank you. You will be missed.

“ My sincere condolences to Mike's family. I went to school with Mike, starting out at Christ the King, then at St Thomas and finally WDSS. As teenagers we used to spend a lot of time in the summers, swimming in Otter Creek. There was a raft strung out in the middle of the creek that we used to dive off. We always had a great time out there. Although, I lost touch with Mike after high school, I have fond memories of our younger days. Cheryl (Koekhuyt) Telford

“Dad, it’s so hard to believe it’s been four weeks since your passing. Each week gets harder and harder. I know your looking down at us kids telling us it’s okay, keep moving, but right now it’s hard - so hard. I will forever be grateful for you! You have taught us kids how to be the most caring person, loving parent, and the most positive person I have ever met. I will miss your daily messages, your calls to check in on the family, our gatherings at the farm, endless boat rides, etc. We are so thankful Harlow got to meet her Papa, and shown how much you loved your grandkids. Love and miss you forever Dad.

*This just seems so unfair. 💔*

“Jaclyn and Family,  
So sorry to hear of the passing of your father.  
The Tribute Video was a beautiful collection of wonderful memories of a much loved man by his family and friends. Jaclyn your dad looks like he was a very caring and active member with his entire family. I now know where you get it from. Your parents raised a wonderful daughter. Someone I had the pleasure of working with in the Chatham Respiratory Therapy Department.  
My sincere thoughts are with you at this time. Take care.

“ As I reflect this past week on all the hard work and fun we had growing up on Otter Creek these are a few of my memories. The Rottier dock and a cool swim after a hard days work, the winter hockey games and skating to school, the pear tree that stood in Mike’s front yard and the cream man that made regular trips to the Rottier farm. We always flagged him down for ice cream which he carried on the truck. Mike was much like his mom, the gardens around his home were always perfect. Covid-19 has taken our visit away but not our memories. Deepest Sympathy

“ Mike, to say I was shocked and saddened to hear of your sudden passing would be an understatement. I don't even know where to begin, The "Mike" that I came to know and respect was a kind, funny, life of the party man, a passionate farmer, and a PROUD father. The way you lite up when you would talk about any one of your kids, the love you had in your eyes when you looked at your grand children will be forever etched in my mind. The world lost a great man, a shining light. I will cherish the times we all got to spend with you, laugh with you. I am extremely thankful for being able to see you one last time at Harlow's birthday party in early March, where I feel I got to say my "goodbye" Rest easy Mike. Heaven just got a whole lot more fun! “ Well, I am very shocked to see that Mike is gone. We always had a good time chatting about the weather and farming when we saw him, whether he was driving by our house (always a big wave) or if we stopped by the house on Brigden Rd to chat.

Our condolences to his family including his nephew John, who we have known for years... thoughts and prayers to all of Mike's family.

Sincerely,

Tom, Mary, Trevor and Jocelyn McLaughlin  
(neighbours on Brigden Road)

“ Every memory I have of my dad is special to me and I know it was to him too. Sleeping on an airport floor for 3 days on his way to Australia is something i will never forget haha He loved taking me for rides out to the cabin and we would just hang out together. I'll never forget the night he took my siblings and I to the CBD for a few drinks. We put songs on the juke box and played pool. He was so proud of us and proud to show us where he spent quality time with friends. He just loved being with his family, we had so many amazing times together. I love you dad, you're always with me xo
