“ *My wonderful aunt with an incredible smile, she lit up a room just by being in it. Michele truly made her life her own and saw joy all around her. She will be missed by everyone who knew her.* ”

“ Michele had the most beautiful smile and the best laugh. She was smart and giving. She lived in the moment like no one I've ever known. I miss the big sister I could never catch up with, who read me bedtime stories and took me horseback riding. I miss the mother of my nieces. I miss the woman who went to university as an adult and moved back to her birth place to connect to her first family. I will never stop being proud of her, and am so glad to have been her sister.
