

## Myrtle Browning

February 12, 2021

It is with sadness, but deep gratitude, that we share the news that Myrtle Janet Browning died from natural causes on Friday, February 12th, 2021. Myrtle was born in Boissevain, Manitoba to Emma and Newton Opperman. She was the sixth child of a family of ten. Like her brothers and sisters, Myrtle was always very active. She loved to skate and play baseball and helped with everything that needed to be done around the house. When she was 19 years old, she moved to Souris, Manitoba where she trained to be a nurse's aid. In that town she sang in the church choir and attended many community events including local dances. It was at one of those events that a dashing teacher showed up – with another date. Swept away by her beauty and joyful presence, Fred Browning asked Myrtle to dance for the rest of the night. That evening was the beginning of a lifetime partnership between Fred and Myrtle. Their life together was 55 years of singing, laughing, loving, working and dancing together while raising four beautiful children.

After marrying they were blessed with their first son, Grant, born in Souris. They then relocated to Winnipeg, where they had two more daughters, Debbie and Cathy. On one stormy, wintery day Fred came home and saw an advertisement for a teaching position in the “banana belt” of Ontario. On a whim he applied and then later told Myrtle. This led to their relocation to Wallaceburg, where they would have their last child, Susan. Wallaceburg was their treasured home and community for the rest of their lives.

Myrtle's life revolved around family, church and community. She served many

positions at Trinity United Church. She was the president of the UCW, she taught Sunday School, sang in the choir, served on the board and was a weekly visitor to the nursing home, hospital and the retirement residence. She offered numerous acts of service to the Wallaceburg community. She ran a senior's group, she worked with arc industries (now community living), she was a member of IODE. She organized more funeral luncheons than anyone can count! Ten years ago, Myrtle fell when taking down a set of lights after the Christmas tea at Trinity. That day she suffered a life-threatening brain injury. Thanks to the miracle of our health care system, a highly skilled neurosurgeon, and a tremendous medical team at Hotel-Dieu Grace Hospital in Windsor, she survived. Thanks to the incredible staff at Parkwood Hospital's brain injury program she recovered to the point of moving back to Wallaceburg. It was then that all of her acts of kindness circled back to her in the most beautiful way. She lived in Sydenham residence for six years where she was exquisitely loved and cared for. When she was unable to manage there, she moved to Fairfield Park Nursing home where again, she received excellent care and support. In addition to the care of the staff, she was visited regularly by her ministers, members of her congregation and the community. Myrtle had many joys in life but was never more filled with love than when she was with her family. She was very grateful and proud of her four children and their partners, Grant & Debi Browning, Debbie Browning & Larry Dupuis, Cathy Dickson & Wayne Nesbitt and Susan & Paul Browning. She was especially delighted by each and every one of her grandchildren, Jackie & Jordan Tontini, Kate Browning, Brent, Kurtis & Emma Dickson, Jackson & Siobhan Browning & Damian. She was blessed to have one great grandchild, Charlotte Tontini, who she never met in person but whom she was so excited to see on Skype and Facetime! She had a special closeness with her siblings, even though they were far away and she is survived by her sisters Wilma (Doug) Robertson and Euniece Wilbee and her brother Laverne (Joyce) Opperman and many nieces and nephews. She will be sadly missed by everyone. But most especially her children, her grandchildren and her great

grandchild.

The family would like to extend their deepest appreciation for all the staff at Fairfield Park Nursing Home. You gave Mom such excellent care and we are so deeply grateful for all your sacrifices – especially throughout the last year. We also express deep gratitude for the care of her doctors Dr. Tom Perkin, Dr. Bob Mayo and her nurse practitioner Renee. Thanks to everyone at Trinity United Church and to the wider Wallaceburg Community. This community filled Mom's life with meaning and love. We are forever grateful for all she gave and all that was returned to her! The arrangements have been entrusted to the HAYCOCK-CAVANAGH FUNERAL HOME 409 Nelson Street in Wallaceburg. Due to Covid-19 restrictions, a celebration of Myrtle's life will be announced at a future date. In lieu of flowers, the family requests that you consider leaving a donation to either Trinity United Church, Fairfield Park Nursing Home or a charity of your choice at the funeral home 519.627.3231

“ Dear Browning Family,  
It saddens my heart so deeply to hear of the loss of your dear mom. Myrtle and my mom were old friends and neighbours, and Susan and I were born 2 months apart. We have been lucky to remain close and dear friends to this day. I always felt at home in the Browning home, waking up early after having a fun sleepover with Susan. I would come down into the kitchen and there was Mrs. Browning making a yummy dessert and Mr. Browning reading the paper. Right away she would say, "Barbie, want to help?" I loved her like a second mom. Sending you all the love and warmth of a caring hug. She's in the kitchen again.... with Fred.

“ Myrtle and Fred were wonderful neighbours and Fred a colleague. Fred's book "It's Cheaper to Move than Pay Rent" was a riot to read. He had a down to earth sense of humour. “ When I heard of my Aunt’s death from my dear cousin Debbie, I remembered very prominently the great times spent with her and the family growing up and later on, in life. My Aunt Myrtle was an aunt that I could easily connect with because of her innate kindness and joy she brought to everyone around her. This was an Aunt who loved like a mother, even though she had children and grandchildren of her own.

The last time I visited my aunt was with cousin Debbie, 4 years ago. She was relatively in good health—but she vaguely remembered who I was. I told her I loved her signature ‘dainties’ and that she was the greatest Baker, I’ve ever met. I reminded her of the lovely days i spent ‘raiding’ her fridge, in the garage, where she stored her dainties. Luckily for me, there was still that energy and light within her, as she looked up at me and smiled.

You have left a void no one can fill Aunt Myrtle, but I know in my heart you are in a better place now, with Uncle Fred.  
Sincere condolences to the entire family.  
May she R.I.P.

“ Myrtle was one of my lovely Canadian cousins. I first met her and Fred many years ago when they made a visit to England. It was the first of many visits and at one time her and Fred were going to do a swap with my parents for a year with the idea that would live in each others houses and I could keep an eye on them as I lived close by. Unfortunately it never happened as both my parents passed away just before it was all due to happen. Nevertheless we always kept in touch and whenever they made a visit to the UK we saw them. She was a "smuggler" of butterscotch chips for me as I couldn't get them here. I saw her every time I made a trip to Canada, the last time was in 2013. We went out for a meal with her, Debbie and Larry and some friends and spent some quality time together. She will never be forgotten. We loved her to bits

“ *This is not an easy thing to do. My Aunt Myrtle was one of my favourite people in the whole world. She never judged anyone or commented negatively about anyone. My children and grandchildren loved their Auntie Myrtle. I can remember one summer when Myrtle and Fred came to Winnipeg, as was their habit, virtually every summer. It was always very exciting when they arrived. One day in the summer of 79/80 I arrived home and as I turned the corner I see Auntie Myrtle playing hopscotch at the side of our house. It took me a moment to see my 4 year old, Robyn playing with her. That will be with me for a long time. Auntie Myrt was such a good sport. I have tried to emulate her and not worry about who might see me enjoying myself and maybe looking a bit silly. Fly high Auntie Myrt!*
