

## Nadine MacDonald

February 22, 2024

Nadine Jean MacDonald was born at home in Wallaceburg Ontario in January of 1929. She passed peacefully at CKHA on February 22, 2024 at the age of 95.

Nadine was the daughter of Willis and Beatrice Thompson. She is now reunited with her beloved husband Paul (1994) and son Stuart (1967).

She is survived by her son Dr. Grant 'Sandy' MacDonald of Atlanta GA, daughter Suzanne MacDonald-Simcox ( Terry) of Arnes MB, and dear friends Moira and Brad Eggett and family who she loved as her own.

She is also survived by her "baby" brother Doug and sister-in law Anne Thompson of Meaford, Ontario as well as many nieces and nephews and several great and great -great nieces and nephews. She is predeceased by her sisters Mary, Donna and Maxine.

Nadine started her working career as a switchboard operator at Bell Telephone in 1947. She then became assistant pay master at the Wallaceburg Brass factory for many years. She and Paul lived at and raised their family in Mitchell's Bay where they lived their entire married life. In 1963, Nadine started her most important and cherished career ...a full time mother to her children. As the wife of a commercial fisherman she made a loving and

nurturing home.

Through her adult life she was a member of St Stephen's Church Mitchell's Bay, and was very active in the Anglican Church serving in many capacities namely being on the Alter guild, active in the ACW and the Chatham Kent Deanery and in Synod in London. She was also involved in the Dresden Community Church.

She was an active canvasser for the Canadian Cancer Society going door to door every April for years. She was very passionate about mission work with one of her favorite missions making up care packages to send to Uganda. Her achievement that she was most proud of was starting a Bereaved Parents Group in the early 1970's that provided support to other parents suffering the loss of a child. At that time, no such group existed. Losing her 3 year old son had such a devastating and profound impact on her life. However, she was able to do something good as a result, as this group is still active today.

She loved to cook and bake....who could forget her famous Bundt cakes! She loved to travel, was an avid reader and an artist who loved to sketch and paint. She even became savvy on an iPad well into her 90's! She always loved a good party and loved a good Margarita even more! She had a wonderful sense of humor. Her ability to talk to anyone was effortless.

The funeral for Nadine will be held at Christ Church, 80 Wellington St. W. in Chatham on Saturday March 2 at 11 am with viewing/visitation starting at 10 am. A celebration of Nadine will follow at Mama Maria's Ristorante at 231 King St. in Chatham following the service.

In lieu of flowers, donations may be made to the Salvation Army through the Haycock-Cavanagh Funeral Home, 409 Nelson Street in Wallaceburg 519.627.3231. Cherished stories and tributes may be left for the family at ww

“ I was truly blessed to have Nadine as a neighbor in Chatham for several years. Always a loving mother to more than her family, I was welcomed to the building by her incredible lemon poppy seed and coffee cakes. If she had a few extra tomatoes or a sleeve of Cheeto chips to share it would be mysteriously handing on the apartment door as a treat. Coming down the hall to see a Nadine treat waiting had such a powerful way of warming my heart. I was happy to keep an ear out for her or lend a hand when needed but she gave more of her heart to others than she ever asked for in return. All my strength to you Sandy.

“ I treasure my memories of phone conversations with Aunt Nadine, which I'd always make from a hiking trail, as they'd last for an hour or more. She loved the idea of cell phones and of getting calls from odd places, with the sounds of seagulls or trains in the background. She wanted to know all about what my wife, Christine, and I had been up to over the past year, and to share stories about Sandy, of whom she was very proud. Aunt Nadine had a love of life, a respect for lifestyles that were different from her own, and a bit of impishness in her character, all of which I hope has rubbed off on me and many others around her. Thanks Aunt Nadine, and farewell.

“ Nadine will always have a special place in my heart she helped me very much when I lost my son Michael at two and a half years old. She knocked on my Door and introduced herself and said I lost my son also, and I felt in my heart I had to go connect with you, that is how we met, and have been special to each other ever since that day in 1976. We spent lots of time together over the years shopping, going to yard sales, having lunch together backing together Nadine taught me to make her famous coffee cakes. She helped me through many trying times in my life, she was just always there for me. We always told each other (I Love You ) after each time we spend together. I could go on and on about Nadine love and kindness to me. I will always remember her she was a great Christian lady and always spoke of Gods love for us she would always pray for me after a visit, or on the phone. Tom and I seen her a few times in the hospital days before she passed away. Our last words to each other I LOVE YOU I WILL MISS YOU 💔😭

“ Our sympathy to Nadine's family and Brad and Moira and family. Nadine was such a warm and loving lady. I attended St. Stephen's Church growing up and remember how kind Nadine was. She asked to hold our twins at their Christening because she wanted to cuddle them and certainly she did.
