“ Nancy and I were on the worship committee for many years at Trinity. She was always the first to arrive to prepare communion and usually provided her homemade challah bread for the table. She had a deep commitment to Trinity and to her faith. She spoke with pride of her work as a volunteer with victims services in Sarnia and I know she had a caring heart for anyone in need.

“ *Trinity has lost another great member and friend. You will be missed dearly Nancy. I always enjoyed chatting with you on the occasions you would need a ride home from church. I'll try and remember to turn the lights on for you in the memorial corner, you were always making sure that those lights were on when you arrived at church on Sunday.*
