WA

“ I don't remember much from 40 years ago, but I do know I spent a lot of time down the street at aunt Nancy's house when I was a wee lad. 😊

I especially remember that nobody was allowed in her and uncle's room. Nobody... well, maybe cousin Heather, but I definitely was. I got to chill on her big comfy bed and watch TV with her.

She loved her pickles back then. Giant pickles from the states. lol Nobody was allowed to have those either... but I definitely was. 🙄

When this pic was taken a couple years ago, I quietly asked her, "can I have a pickle?" Lol

Made her laugh. She said yeah.

Baamaapii minwaa auntie Nancy baa.

Thank you for the wonderful memories.

I'll remember you forever. ☐
