“ Every year you would get me something on my birthday to prove you were the better friend. Every year I would forget when your birthday was and be late about it to prove I was the slacker friend. I love you and I miss you very much. There's no one else to talk to quite like you. I just had a baby. I am sad you cannot meet her. You would have loved her. I sense your birthday is coming up soon but they've only posted the day you died in your obituary so I cannot know for sure. I hope you're haunting someone who deserves it <3

This is shocking to me it makes me so sad.
Please send me an e-mail janisschwab@hotmail.com or a call 519-728-3569.
I think about you & Randy often & Karen's girls, so sad to see Natalie's passing.
I remember Grandma & Grandpa Gillett & all the sleepovers there, so long ago but such good memories of that home.
Please let me know how you're doing, would love to hear from you, I still miss her♥
