*My condolences to the family. I went to WDSS with Nealand and shared many times with him in track and field and cross country. I have not seen him in many years but often think of our day in high school and his easy going personality. Sorry for your loss.*

“ Every time I saw Nealand walking on the streets of Chatham I would think back to our high school days at WDSS. I would picture him sailing over the pole vault bar and jumping higher and higher. He was such an awesome athlete and I know he was even more of an awesome human being. My deepest condolences go out to you Craig along with your family.
