I have many memories of Neil from our teenage years. We did a lot of crazy things together! No matter how long the time would pass between talking, it was like nothing changed. I don't think there was a thing that I couldn't ask of Neil, that he wouldn't have done for me...that is the kind of man he was! Forever, I will have cherished memories of Neil to carry in my heart! R.I.P. my good friend, you were like a brother!
