“ Nicky, you will be greatly missed, my friend. My thoughts and prayers go out to your friends and your family in this time of grief.

Playing hockey together, you were one of the most integral parts of creating that family atmosphere and bond that was our team. You were not only a great comedian on- and off the ice but also a great friend and brother to the entire team. You stood up for us when we needed you, cracked the one-liners at the perfect time, and even found the back of the net now and then. You have carried this attitude in life, finding light in some of the darker times and bringing forth a positive outlook and happiness towards life itself. I hope, where you are now, that you have found this happiness again where you can watch over your friends and family.

Know that you will be greatly missed and rest peacefully, Nick.
