

Ormond "Orm" Mason

October 26, 2018

It is with saddened hearts we say goodbye to a wonderful man, Orm Mason, at the age of 82. Orm fought a long hard battle against Alzheimers and passed away at Fairfield Park, Wallaceburg, on October 26, 2018 with his devoted wife Sandra of 59 years by his side. He is the son of the late Irene and Sidney Mason. Loving Father of Duane (Diane) and Denise Sheriff. Cherished grandfather of 7 and great grandfather of 2. Dear brother of Sid, Daryl (Gail) and the late Gary. Orm worked for Delta Faucet Canada for 44 years retiring as customer service manager. There isn't enough words to say how much we appreciate the wonderful and kind care we received from Dr. T. Perkin and the incredible team at Fairfield Park Nursing Home. A special thanks to those who went above and beyond, you know who you are. The Family will receive relatives and friends at the Haycock - Cavanagh Funeral Home, 409 Nelson Street in Wallaceburg on Tuesday, October 30, 2018 from 2-4 & 7-9 PM. At Orm's request there will not be any funeral service. Online tributes may be left at www.cavanaghfuneralhome.ca. If there ever comes a day when we can't be together, keep me in your heart and i will stay there forever. A.A Milne

“ Orm hired me for his Customer Service Department in May 1991 after the most unusual interview ever! Working with Orm was a great learning experience and more importantly a pleasure. Orm was a caring gentleman who understood people.

My thoughts and deepest sympathy to the Mason Family.

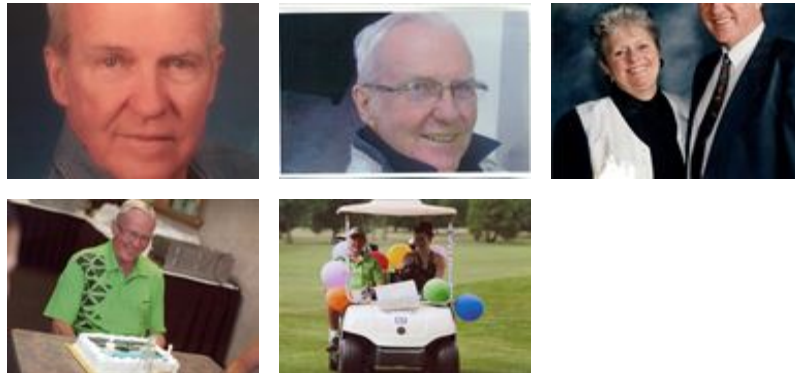

Rest in peace Orm.

“ I just wanted to share with Orm’s family that as Customer Service Manager at Delta Faucet, he was the best boss I ever had the pleasure of working for. He was a manager that always supported his people and trusted to have our backs. Even after all these years, I still appreciate and talk about Orm Mason.
My thoughts are with his family. Deepest sympathies from Jean Bouthot.

“ *To the Mason family. Please accept my deepest condolences. I met Orm 50 years ago when I joined the sales department at Galt Brass. He became my coach and mentor and also my friend. He was also one of the finest gentlemen I have ever known.*
My thoughts and prayers are with you.

“ Orm was a great guy and a wonderful golf partner. His favourite saying was after he made a good shot (which was often) was "see nothing to this game". Many great memories at good old Baldoon.

“ *I met Orm when he first came to Wallaceburg from Galt Brass. Later shortly after he moved to London to take up his role as Customer Service Manager I would follow his move, as Customer Service Rep for South Western Ontario and later as technical service rep for all of Canada*

I well remember when it was decided that Waltec, Delta and Emco would operate from the Emco offices in London. Some of us, in London could talk knowledgably about Waltec products, others of Emco but no one in customer service had any working knowledge of Delta Products. Yet the phone lines opened, in London, on April 1st. and the reference to April Fools Day was not lost on us. However by working as a team, with Orm as our leader we helped each other through the learning as we go, process.

My family sends condolences and prayers to Sandi and the family.

“ I had the pleasure of knowing Orm's gentlemanly nature and kind spirit when we met in the Alheimers' Day program. We would meet again years later in the last weeks of his life when I began my clinical placement in Nursing at Fairfield Park.

I am a firm believer that people come into our lives with purpose always. Sometimes, we miss the message the first time and we meet them again.

Even Alheimers could not take away his generosity, humour and class.

I've thought so many times about Orm and his love that he spoke of so often, Sandra.

My heart goes out to you Sandra, and to your entire family.

“ Norm was indeed a special person. During my time with him at Delta Faucet I never saw him without a grin on his face and a positive attitude about everything around him. He was loved and looked up to by the people who reported to him, the management team, everyone at Delta as well as all of our customers. When customers called they were not always happy but Norm had a great way of turning “situations” into positive results. What an amazing talent! After too many years of suffering he’s finally in the peaceful place he deserves to be. God bless he and his family. Pat and Julia Werby.
