“ *This is an extremely belated condolence but very heartfelt. I had been thinking about Paddy and, sadly, came upon this obituary. Paddy built our home in 1977 and also some neighbouring houses in the Stranak Subdivision in Dresden. A few years later we had the basement finished and, later, a family room added in the back. Some of the photos included in the memorial video show Paddy and Ray in our backyard. He was a very honest, patient and kind gentleman and a well-respected contractor. My sympathies to his family and friends. Respectfully, Tanya (Mrs. Gordon) Hardy*
