“ *PAUL, Summer and I miss and love you so much! Just wish we could of seen you at your best one last time. You were such a great, and loving father to her. Boy when you were good, you were amazing!! You know she used to love it when you guys made your homemade chicken dumpling soup. It was such a joy watching you two bond!! I remember you taking her to the park and playing on every piece of equipment alongside of her!! It's like I seen you relive your childhood through her and it was just beautiful... This is when you shined the most. I'm glad me and Summer have those beautiful memories of you to cherish forever. Don't you worry, she knows you love her and are with her every step of the way in her life, in her heart she carries you!! I'm not sure if you even know how much you truly meant to so many people! It saddens me that in the end we were distant and and you were battling a lot of demons on your own. I just wish that you would have got better and came back around, But knowing that you are now in peace also gives me comfort. Till we meet again one day, love your girl Summer, & Tanya*

❤️

“ *I have so many good memories growing up with Paul. Among my favourites, was after my dad's funeral..in the bar part of the Moose. We sat with our heads together crying, laughing and sharing stories of my dad. He loved my dad very deeply. Paul was sensitive and sweet if he felt safe. It was my fortune to have been shown that side of him.*

“ I have known many of the Benedict family for years. Regrettably I never got to know Paul or the boys. I do know what a great loss this must be at such a young age.

*My thoughts are with you Pam and Carl.*
