“ *Dear Kim and family of Paul; so sorry to hear of Paul's passing. Paul was the one who could make you laugh. The one who would lend that helping hand. He loved his family and especially you Kim. Paul could joke around but everyone knew you were the one who held his heart. I can remember some pretty fun times with you both so long ago. Working at the Plastics along side you both were fairly good times. Where co-workers became long time friends who unfortunately lost touch due to life getting in the way. Paul will be missed by many. Our hearts break for your tremendous lost. Hug and prayers Lori and Willy Druer*

“ Uncle Paul was one of the funniest people I ever knew. I had actually forgot that we worked at the shop at the same time for a few years - and I would rush over to help him load and unload his truck. It wouldnt be long before I'd be laughing at his antics. Those were the best years working at the shop.

He was also really generous - too many times he would show me a CD he bought, or a pair of headphones or a kitchen gadget... next thing I know - he would gift it to me on the spot. I learned to be careful admiring anything he was showing me, or else he'd be sending me home with it, lol. Some of my favorite CDs are ones he gave me 20 years ago, unsolicited.

He loved his family, loved having a good time and was always laughing and joking around. We are all very fortunate to have had him in our lives.

“ I'm saddened to hear about this and thinking of you, Jeff and the rest of your family. I have a lot of fond memories hanging out at your house while growing up. Paul blasting music on weekend mornings after a sleepover or constantly joking around and giving everyone a hard time is something I'll never forget and look back on with a smile.

“ *Kim and family. We were so shocked and saddened to hear of Paul’s passing. Gone way too young. I was so happy to get to know Paul better as we got older. Years ago, I just loved it when he showed up at our house and tried to get us extra channels on our TV. We would drink coffee, have great conversations and laugh. I cherish those memories. I also loved the couple of times we spent at his home poolside with Kim and family. Please know we are thinking of all of you. And praying your memories give you some peace. 🙏🙏❤️❤️ Love to all..JoAnne, Terry and family.*
