“ Pauline was a very nice person. She helped with a lot of community meals. I've picked her up many times and I could rely on her for anything. She will be missed.

“ *For Pauline's Family,*  
*So sorry to hear about Pauline and how sad to lose someone so young. Pauline always talked about her family and showed us many pictures of your families events especially when there was ever a new little one or something her neices did, she was very proud of all of you. Pauline was well liked by many and we all enjoyed her great sense of humour and positive outlook on life. I will miss Pauline in the literacy class, she was a great student who was willing to participate in all that was assigned. She worked hard at her studies in class, she always was willing to lend a hand to others, and she had a sincere and bubbly personality and was a pleasure to have known her.*  
*On behalf of all the students and myself at the Adult Literacy Class our deepest sympathies and condolences to you and your loved ones.*
