“ *Ken, Keith, Al, Carol and families, my thoughts and prayers are with you. Your wife and Mom was a special lady. I have very fond memories of her as our families grew up next door. Your Mom always put her family first, was kind to often offer a ride to school on bad weather days, and saw the good in all people and situations. Our neighbourhood and growing up as a kid in it, was better because of our Moms and families like the Tarrs.*
