“ *Us McNaughtons grew up across the street from the Mahus on Murray Street.*

*So many good memories with Pete, Mary, Rosemary and Pat over the years growing up. Mrs Mahu made the best raisin bread.*

*I can still see Mr Mahu digging up his entire back yard with a spade planting his beautiful garden. I can also see him in the chicken coop feeding his chickens and the English cherry tree in the back Yard*

*Our sincere condolences to all Pete's family.*

“ Heaven has gained an amazing Husband, Father, and Papa. Thank you for all the years of love laughs and great times! You taught me so much and always astounded me with your endless knowledge of nature. There was not one bird or fish you were unable to name or explain to me. I will forever cherish the many summers fishing out on the boat and the endless memories we shared. Passing away only 6 weeks after your beautiful wife of 63 years is a true love story. Say hi to Nanna for all of your family and enjoy your eternal life together. I love you Papa and will forever miss you 💕😭🐟👤

“ No amount of words will ever do justice to the man you were or the Impact you had on me. You are the reason for so many of my hobbies, and you are more of an inspiration for the man I am today than you will ever know. You were a mans man who did whatever needed to be done for family and for loved ones. And while it is cheesy to say, it couldn't be any truer: I can only hope to be half the man you were. To say I love you and will miss you doesn't even come close to cutting it... RIP Pappa... ❤️
