“ *Peter was a good human being....he always tormented at my locker at high school.*

I was very shy so I was an easy target....I admired him immensely....he was so very

kind....lost track of him in my later years, but caught up with him...and just as always

made me smile....

“ I always enjoyed talking with Pete over the years. Loved his family, Jim, Ron, and Helen. I remember about 55 years ago when Tim and I used to throw snowballs at Pete's green Plymouth. He would chase us all through the downtown. Wish we could do that one more time.

He will be missed.

“ Dear John, and Lynn: We are so saddened to hear of your fathers passing. He was always kind to us when we moved into the neighborhood in 2002. We always chatted as he walked his dog. And he was always so kind to our son when he went around the neighborhood for school charities. He will be missed. You are in our prayers.

“ Hi Lynn and John.

Thinking about you two this morning. Hoping you are adjusting to your loss. I know your dad and mom helped you both become good people.

Your dad and your mom both helped me with many things in life. I didnt always listen but I do remember.

Before you two were born when I was real young your dad treated me like a son.

Then after he met your mom I remember being up at the Fortney cottages a bunch of times. That was a cool place.

After you two were born and I was done high school I lived and worked at your farm near Hanover. Your Dad got me outa bed for chores no matter how late I was up the night before.

When Grama Helen needed help living on her own your Dad was the one who helped her stay independent as long as possible.

After I settled into raising my own family your mom and dad were always the ones I could go to for good advice.

Now I can always go to the memory bank and use the advice and examples of a good man, my uncle Pete.

*Lots of love to you both and to Ashley and to Chad
