“ Dear Janet and family: I just now read about Phil passing away He certainly was a wonderful person and a great mentor to me in my early teaching days. I could always go to him with any questions and he always had the answer. He had an extra can of pop whenever I ran out lol Both you and Phil helped me so much in my teaching days. Deepest condolences. Carolyn McCoy

“ I had the pleasure of working with Phil at Service Canada. He loved to tease my sister and I, always getting us to “turn on each other” for his amusement. We gladly played along. Phil was fun, always seemed to have a tootsie roll in his pocket and-if given the chance-would talk all day about his family. He was madly in love with his wife, and fiercely proud of his kids. I’m so sad that he passed. My condolences.
