“ I am shocked and saddened to hear of Cilla's death. We were great friends in high school, and I was so happy to see her a few years ago at our high school reunion. Although our journeys took us to distant corners of the world, I have never forgotten her warmth, and her dimpled smile. I was very moved by the video describing the work she has been doing in the community. Clearly she is loved and will be missed by many. Sincere condolences to the Hancock family.

“ Priscilla was one of my store managers when I worked at Burger King as a teenager. Great times. To this day I think of all the good times I had at that store. We were more like a giant family than co-workers. I am still in contact with a lot of the friends I made while working there. I also worked with Pam, Steve, and Jeff while there. I had many good times at Priscilla house here in Windsor. My Burger King Buddies had a reunion of sorts the week before Priscilla's accident and we talked and laughed about the good times we had had Steve's house. Priscilla was always kind and welcoming to me. To Pam Jeff and Steve what do you say at a time like this. Words will never express the sadness we feel when something like this happens. My prayers and thoughts are with you all right now.
