“ To all of Randy's family , so sorry to hear of his passing . Although I never went to high school in wallaceburg , I hung around there quite a bit , and Randy had a few spirited rides in my RoadRunner , and would always bring it up whenever we saw each other and have a good laugh ! Rest in peace my old friend , till we ride again !

“ I dated Randy for 3 years -- it was so magical but I had my own issues and we couldn't make it last. I made some bad choices. I loved him dearly. I couldn't get him out of my head today, lots of memories popping up. So, I thought I would look him up on FB, only to discover Taylor's post. I am shocked and heartbroken. I always wished him happiness and health. I cannot believe he is gone! He was the best person I know. So happy, caring, giving, and loving. He had the best eye for photography. He enjoyed outdoor festivals and events and was always looking for a good shot. He will be missed by SO MANY people who knew him. Please accept my sincere condolences to Sydney, Taylor, Jesse and the entire family. I love him dearly always!! 💔😭

“ *I remember Randy as part of our WDSS Tartan Sr. Football Team. Shane and Sheldon it is undoubtedly hard to lose the little bro! Randy was always energetic and part of “team” play as well as any shenanigans he and his teammates might find themselves involved in! Randy will be sadly missed! My thoughts and prayers for Randy and the entire Duff family!*

“ Kindred in our teenage memories: I wonder if Joyce and ‘Duff’ ever knew we paddled Algonquin and to Moosonee in our homemade canoe! I’ll always remember Randy’s fun-spirit, especially more recently sitting on the top-deck ladder of a firetruck in the WAMBO parade, with sunglasses on like his own Maxell ad!

“ I'm so sorry for your loss. I've known Randy since public school and of course we would cross paths and chat at several local music events . Mainly by brother-in-laws various bands, Tom and Danny Trembley. Throughout the years you could always count on him to be there, enjoying the music and mingling amongst the crowd. May you R.I.P Randy, you will be missed in the Burg.

“ Sydney, Taylor, Jesse, Nora, Sheldon, and Shane, I'm so sorry to hear Randy has passed. We spent a lot of time together in our high school years, canoeing the north branch and checking the crops on the gravel roads around Wallaceburg. I fondly remember those times as our benevolent years because our parents' cars relinquished a grand volume of party supplies to the local constabulary. To honour Randy, I'm going to play music very very loud all weekend. Unless law enforcement needs my turntable. Travel well my friend.
