“ I have known Red Debuck for many years now ever since I was a young boy delivering papers to him on Duke Street. In fact every one knew Red in town and probably did not know his real name. Back in 1970 Red came out and roughed in my plumbing after supper for my new home. Charged me \$40.00, He sure has helped many people over the years. Just like Frank Dymock, Red was a giver not a taker. He was always a phone call away when needed. My sincere condolences to his entire family
