“ I got to know this beautiful lady and her family when I worked Walpole Island about 10 years ago for Sarnia on their Indigenous time. I have never seen anyone like her with devotion to family, raising not only her children but her grandchildren as well. Then, there is her extended family such as Garrett who came to her. Rhonda was very much a family and community-oriented person. I loved the time I got to work with her and Nancy Jones. I just found out that she passed away, way to young broke my heart for everyone. Especially my dear friend, a true firecracker in life.
