“ *Uncle Richard... I am so glad we had the chance to have a chat last summer. You always cared and listened when someone spoke to you.
Your vicious battle over the past few years proved that Helbin stubbornness once again!
I know you now have peace.
I will miss you

He was such a great guy, who certainly didn't deserve the battle which he fought so well! May you rest in peace Richard free from all your pain and suffering. “ *Dear Leslie & Family,*
So sorry to hear about Richard, didn't know him very long but i'm glad i had the opportunity to meet Richard. He will be missed by all. Leslie i know you think that Richard and myself were one of a kind but if you can't have some fun it would be very boring. He is finally at peace and no more pain. Just remember all the good times i'm sure there are lots of them. You and your family are in my thoughts and prayers.
