Robbie was one of my early year's students, as an eight year old, and for whatever reason(general friendship) stayed connected over the years. So sad to hear of his death. “ Our most sincere condolences to Krystal and family on Rob's passing. From the very first time he teased me at Cash and Carry I knew we would be good friends. He loved sharing stories about the kids, particularly Joe's hockey and his pride in his family was clear. I last saw him around Christmas when we had a quick visit at the grocery store. Rest in Peace my friend, you'll be missed for a very long time.
