“ *Gurd Family,*

I was so sorry to hear of your loss. Growing up with Gurdy I have many great memories of Bob and he was always good for a laugh. I will never forget the time just Bob and I sat up late in his living room watching a maple leaf playoff game while Gurdy and the boys were out back having a legendary fire. I was a bit excited when the Leafs scored (Bob always teased me about it and most likely waking up Janice!.) I hope you are all doing ok and on behalf of my family we are thinking of you all.

“ Dear Janice and all of your fun loving family, we will always remember Bob as a jokester who loved to tease but when it came down to it , he had a soft heart for everyone. John asked Bob one year, to take a part in a "skit" for the Farmer's Bonspiel at the Sydenham Curling Club, because he knew Bob would be just the right person for the lineup skit along with 7 others. Well the curling club roof could have exploded from the laughter that came from those farmers that night. What a good sport he was!!!! Mind you-he never offered to do it again!! And he was a great curler. When John started curling, he got lots of good advice from Bob. We will never forget him!!! Rest in peace Bob.
