“ *So sorry to read of Bob's passing - he was full of remodeling ideas & could pull it off as he did at both our houses and was a friend of my late partner, Gord Langstaff - cherish the memories*

“ *I have so many memories with my grandad. But one of my favourites is when I was really young about 7 or 8 he took me fishing in Bayfield just on the pier he set me up with two poles at the same time and I kept getting bite after bite..ended up with 9 good sized bass and catfish. There were a least 6 other grown men fishing and not one of them got a bite. Grandad thought it was hilarious and he told this storey every time I saw him he would tell whoever would listen even if they weren't listening he would tell it. It's so unreal that I had to say goodbye for the last time he is so missed.*
