“ Roger always had a funny sense of humour..... His wife Tracey and I have been great friends for years... We became friends when Tracey and I worked at canadiean tire together. He knew I didn't like the smell of vanilla perfume,, So whenever I was coming around Roger would tell Tracey to put her vanilla on.... lin turn would pay him back by having him paged to the hardware desk. This would embarrass him...We we would always joke around like that.....Roger you will be missed dearly xoxox
