“ Well were do I start...you have been one of my best friend for life. You left for a while but were back in my life before this horrible disease struck you. I'm glad we got to talk and spent some time together. I'll never forget the memories of being neighbours, sporting events, concerts(wow!!), playing lacrosse together, you even talked me into playing baseball for a year. We hung out with the Treason boys and oh my the stories we could tell!! you, B.I., and I always had a special bond. Then there was The Brown Boys, Roddy and Houda , we had some epic battles in backyard lacrosse, basketball in your driveway.football and road hockey. The Wallace Street gang!! My condolences to Doreen, Tom , Ron Sr and Lynn. I'll miss you and worst of all I counted on you to keep all those memories alive because you had an uncanny knack for remembering everything! Rest In Peace Buddy.

“ *So many cherished memories of a Griffin teammate and friend. I will fondly remember childhood and teen years spent on Wallace St. in the pool or hanging around the neighborhood doing something really awesome or nothing at all with you and goat.*

Thanks Ron for being who you were and allowing me the privilege to call you a friend and thanks for so many big saves in all the key games that led to championship wins and sports memories that we will all share for ever.

From Nova Scotia we are sending love and condolences to the family and friends and the lacrosse guys that will never, ever forget you.
