Ronald Marcel Tack, a resident of Wallaceburg, passed away suddenly at the CKHA Sydenham Campus on Tuesday, December 8, 2020 at the age of 66. “ Betty and family, Jeff and I were very sad to hear about Ron's passing. We have both worked with Ron for as long as he was with Compugen and located at Union Gas in Chatham. Ron was one of our favourite people, and I used to call him Wolfman Jack! He and I share a passion for lighthouses, and being from Newfoundland I told him of some lighthouses he could visit there. We had so much fun over the years. We will miss seeing those bright blue eyes. Thinking of you all at this time.

I fondly remember cooking at the BBQ's together, our supervisor meetings, shopping together this summer for the CK Gift and just the all around good times. Under normal circumstances we would all be there physically to support the family, but due to our current situation I will just say, if there is anything that we can help with please let us know!

“Michelle and I send our sincerest sympathies to Betty, Adam, Candy and all of their families for this loss. We have known Ron for over 45 years and I was honoured to work with Ron when he was a top notch Wallaceburg Councillor, active labour leader and a dedicated member of the Sydenham District Hospital Board. When I was Mayor I relied heavily on Ron's wisdom and advice. Ron was an excellent advocate for all things Wallaceburg and in whatever he did his community always came first. What we remember most about Ron is that he was a true friend, funny, engaging and no matter what he always looked on the sunny side of life. Ron and Betty made the perfect couple! We will miss him dearly.

“ To the Tack Family:

I was so saddened to hear of the passing of Ron. I spent time with him on breaks when he worked at Compugen at Enbridge Gas. Ron and I always talked about shopping in the states and the trips you would do and to go and eat at the states. I loved having breaks with him. Please accept my deepest condolences and I am praying for your strength at this difficult time.
