“ *Goodbye is such a hard thing to say
When the person we love had to go away
So we look above
At the stars in the sky
And send all our beautiful angels
All our love
We all hated to see you go
But alas our angels you must rest
So Into Gods hands
We have placed the very best
Rest now sweet angels
Goodnight*

Didn't really know rose as a child but I knew her when she was a sweet little baby very sorry for you lose
