“ *Deepest condolences to Bun, Jay, Karen, and the entire family. Mrs. Lozon, as she will always be known to me, was such an amazing person, who had a subtle yet profound influence on me as a person and for my own teaching career. She challenged and cared deeply for all her students, and was a positive role model both in and out of the classroom.*

I only got to see her occasionally later in life, but it was like being in the presence of royalty, as I held her in such high regard.

It is always too soon to lose the ones we love, but hers was a life well lived.

(As I was proof reading this post, and found a few typos, I couldn't help but smile and think of a red pen, and of course a sticker or stamp after all corrections made!)

Thoughts and prayers are with you through this difficult time.

“ *My Aunt Rose Marie was an amazing woman. I was able to spend some time with her, Uncle Bun, and Jay two summers ago, while visiting from Atlanta. She was always so kind and compassionate. I can still hear her laugh. You felt like you could just talk to her about anything. Growing up visiting the farm, I always looked forward to seeing her and Uncle Bun at church, visiting their house in Wallaceburg to go swimming, playing cards, and sharing meals. I will miss her dearly. Love, Billy*

Rosemarie was a great teaching partner at CTK with lots of hearty laughs in the staff room. So much so that sometimes our students would ask what was going on in there. She made a big difference in the lives of all the children she taught. They didn't leave her classroom without the affirmation that "He/she can read." She was a master teacher.
