“ Rosemary made her mark as a Sombra Blue Denim when she played fastball. She was perfect as a catcher and gloved all my wild pitches like a pro. At bat, she was unpredictable and hit many surprises through the defense of opposing teams. my Dad (Warren) thought she was amazing. I started school with Rosemary, grade one at SS# 7 Sombra with Mrs Stover as our teacher. We journeyed through education together at Riverview Central and then on to WDSS.in Wallaceburg. After graduation, a lot of us moved, here and there, and more or less lost touch but memories were firmly fixed. Rosemary was unforgettable for many great reasons. I am so very sorry for all of you Clancys. What a loss!

“ *My deepest sympathy to the family. Rosemary was a wonderful caring person and had the best sense of humour. I have known Rosemary for over 25 years. Our birthdays were 10 days apart and she always remembered that. I just spoke with her a little over a month ago. My fondest memory was when we worked at Chinook and we went on a trip to Barbados together and the girls getaway to Niagara Falls. She will not be forgotten. She is at peace now.*

“ Our condolences to the Clancy family.  
We are so sorry to hear of your loss.  
Rosemary was one of a kind ---- a good friend and confidante.  
I knew Rosemary for close to 50 years and spent almost 30 of those years as her co-worker at Chinook Chemicals.  
She was a dedicated, conscientious and loyal employee who was always the first to arrive at work and the last to leave.  
During those Chinook years, we shared lots of life experiences, happy days, sad days, met and got to know many people that were part of our working days.  
Our time together revealed Rosemary's great independence, determination, compassion and her sense of humour and quick wit along with many other qualities which gave her the strength to become the special person she was.  
Rosemary was an avid sports fan and never passed up the challenge of a card game during lunch hour.  
She and her smiling face will always be remembered by everyone that knew her.  
Now she will be able to watch her "hero" Jean Beliveau play hockey again.
