“ Dear Deb and family,

I remember when I was a teenager, Ross would often call, and ask if I would play the piano for him. It was always an honour and a challenge, because Ross was asked to minister musically in so many churches around the countryside.

I always asked Ross if I was going to have enough time to learn the accompaniment, because with Ross, and his strong voice, I always knew I was in for at least one challenging piece that I'd never seen before.

Ross was one of the funniest, encouraging, and challenging friends that any young person could experience growing up, and I had the privilege of experiencing that kindness first hand.

We always had wonderful fellowship on the way to, and from his various singing engagements. He was a dedicated soloist, and church musician for many years, going back to the sixties in the First Baptist Church, Wallaceburg, under Lois and Barabara Myers.

It didn't matter whether it was sports, sacred music, sharing his love for his Lord, a smile, word of encouragement, or a good laugh, Ross Shaw, was a friend to young people, his church, and above all, his family.

Ross Shaw was my friend, and Christian example, as a young person, as were a number of folks at the Baptist Church in Wallaceburg, and I wouldn't have had it any other way.

I hope I'll play the piano or the organ again one day, at another time in another place. and hear that big beautiful voice, that is Ross

Shaw.

*Deb we lost Mom in January, and you lost your Mom just before,
and now Ross, May
Gods peace be truly with you, and yours.*

*I spoke to Ross on the phone for about an hour shortly after your
moms passing, and I'll
treasure that call for ever in my heart.*

Yours truly,

“ *To the Shaw Family
Not only have we lost a true friend but also a great human being. I remember when we played lacrosse to-gather how determined he was and how he backed up every player on the floor. Your family should be proud of him and his accomplishments as I will always. We have a multitude of good memories May the Lord comfort you and give you strength through these coming days. Rest in peace my friend , until we meet again

“ We had him lead a few services at Wilkesport, and Port Lambton, when we were without a minister. He and Rev. Bob were great friends, and now they get to hang out together again. I find myself envious of Ross, now, in that respect, but the one pearl of wisdom I'll always remember him for was his version of John 3:16. "For God so Loved 'Ross Shaw' that he sent His only begotten Son, so that if 'Ross Shaw' believed in him 'Ross Shaw' would not perish, but have eternal life. It wasn't that he was calling himself exclusive, but it was more of an "Insert Your Name Here" type of illustration. He will be missed!

“ *Deb, and Family,
Our prayers go out to each of you during this difficult time in your life. Ross was a great man who always had a testimony for his Lord and Saviour. He always had something positive to say and always knew how to bring humour into the conversation if he felt you needed to be lifted up. May you find the comfort needed at this time, through knowing and believing that Ross is safely in the arms of the Lord where he will never experience any more pain or suffering. May God give you extra strength during this time.

“ *Dear Shaw family,
We were Blessed to know Ross as our friend, and fill-in pastor at Brigden Community Church for many Sundays over the years. Ross was an encourager and loved the Lord. He encouraged us to "move forward" in church when there were few of us there and to always bring our Bibles. We were often Blessed by his gift of singing and I know he will be singing in Heaven with his Lord and Saviour. May the Lord comfort you all in the days ahead and give you courage and strength. Deepest heartfelt sympathy to Deb and family for your loss. I became acquainted with Ross at approximately ten years of age. He encouraged me to participate in lacrosse, coached me as well, and was my boy scout leader. We also talked of spiritual issues on many occasions as adults, and exchanged many pieces of literature to assist us in our knowledge. People such as Ross made Wallaceburg a better community to live and grow within as we aged.
