“ It was a pleasure to meet Roy and spend every Wednesday afternoon visiting with him while Eva had her time. I hope Roy that you finally found peace in your faith. You are correct that many of the religions have similarities but yet very different.

I still have the I beleive his first selfie picture he took on my computer . Our last visit we spoke of eternal life and I know he couldn't read but he listened to the bible on tape for several years and he told me he listened to the whole thing. May you rest in peace Roy .
