“ *Prayers for Ryan's family during this difficult time. I remember he was one of the first people I met when I started going to church years ago and he was very friendly and welcoming. He liked to quote movies, especially Titanic. He was very nice and a lot of fun to talk to. I only wish we could have kept in touch over the years. Rest In Peace Ryan and God bless you.*

“ *I knew Ryan through my Daughter, Sarah Ann Kingsley Stuk. Every time I saw him he was Always a class act. Very kind and involved. I call him "Dimples" if you know him you know why. It is a very sad day, my thoughts and prayers are with his family.*

“ I was a youth group leader with Ryan a Metro South Church . I can still remember the first day Ryan joined our program. Well I guess it was him trying to see if he would fit in ! That boy had soooooo much energy and enthusiasm it was crazy. I remember telling him slow down, he was going to burn out LOL but not Ryan he came every week the same and his passion and love for these kids was a perfect fit . I would once in a while see him at Red Robyn or at Metro and he always made it a point to say hi and ask how I was doing ? i know in the past few years we didnt stay connected but I must say this is one young man I will never forget and though he has passed away, when I see his picture it brings me back to the Fuel days and i smile and see him being with me just having crazy fun with the kids :) Thank you my friend for being a part of my life and doing Gods work together . May you rest in peace

“ Wish I had a photo to share. What I remember about Ryan is really his zest for life. He loved literature, the national parks, music, his family and friends. He loved a good laugh. There was an almost conspiratorial feeling about sharing a laugh with him. One year, he was at our house for Thanksgiving and we played telephone pictionary. I sat next to him and we had a blast! I'll also think of him whenever I go to Tim Horton's.

“Lion was a dear friend and co-worker who stayed with me for a while I remember when I had to go to Texas to bury my father he stayed at my home and administered medicine to my dad an alien cat of 18 years this was the kind of person he was all though he had a Dallas for life and fashion statement Beyond Compare well-dressed well-mannered well-spoken this guy could have been anything he chose to be he will truly be missed by me and many many others whose life she touched I say this in closing this is a dressing room for the next stage of this energy we called humans Ryan passed sign colors as he touched many lives in the course of working to Red Robin and other things that he did as far as Christian Church space functions I will really miss this young man and will I never ever forget him rest in peace angel
