“ *Brenda, Ashlee and Andrew:*

Our prayers go out to your entire family, in the loss of Sean. He was like a brother, to our two sons and shared many good times being involved in 4-H, swimming, fishing, riding horses and attending family events with the "Dell family".

We first met Sean as he migrated to Canada, with your mother Ruby (and father Art). He loved the "country life" and it's too bad he didn't have a farm to farm for he shared in the work-load with all of us during his years spent in Canada

We've only seen him once since his sister Connie passed away and we regret not having seen him more often.

Your family is in our hearts and prayers. Gpd be with you
