“ Sean was a great friend. He was quick to laugh, and even faster to be there to help you out. He enjoyed caring for others, and sharing meaningful moments. And boy could he tell a story. He loved to travel. I'll treasure our trip to Chicago together; too few moments with a good, good friend. I miss you.

*My condolences to his family. I hope you are all able to take some comfort in memories of Sean and the innumerable moments of laughter that accompanied his presence.*
