“ I crossed paths with Seth a couple times fishing Collingwood and on the ice of L. Simcoe. Someone that you meet by chance and remember well 10 years later, it must be a test to his character. I learned yesterday of his unfortunate passing. Dam! I would like to have crossed paths again. To his family and friends, may his memory be a blessing.

“ I will always remember the good times of us growing up. From being kids to teenagers we fished together, joked together, played at recess and you were even my first kiss.
My deepest condolences go out to your family and other friends.

“ Seth you will be missed by so many. You always had a way of making people smile I sit here and laugh as I remember one of our last chats and you saying to me "when I first met you I didn't know if I should poke the grumpy bear" and then you laughed and said "turns out you're just a big ole teddy bear". Going to miss you buddy!
